Protagonist Character Your Power: -If you are going to be born as a Demon lord, character creation will allow a lot of scope for development. In addition to having awesome powers of the Demon lord, each individual character will go through a gradual progress of improvement. -Using all of the Demon lord's abilities is only possible if you have sufficient attributes. -An individual character will grow even when you play alone, and it will improve more as you play with others. Real-Time Battle Real-time combat is a mode where enemies appear, and attacks are executed in real time. Choose a method -Direct Attacks - The accuracy of the enemy's attack will decrease as it is attacked. -Attack Deformation - A monster's attack will differ according to the armor you wear. -Stop Time - In order to leave yourself open to attacks, you will have to stay alive. If you become a target of the enemy's attack, the execution of your attack will be delayed. Stunt Mode -Demon's Barrage - You can use Demon lord's attacks simultaneously by pressing the button. -Immortal Foot - You can continue to receive damage while you are continuously moving. -Flying Distance - The amount of movement per second will increase. -Absorption - You can increase the damage you receive by fighting more enemies. 8 Different Magic Types -Ignite - A white flame will flicker at your target. If the enemy is not protected, the flame will disappear. -Fireball - You will be able to launch a fireball at your target. -Assist Attack - The circle you have prepared and your sword will create a circle of flames. -Illusion - You will receive a multitude of attacks at once, and it will make the impression of being many. -Elemental Attack - You can use the elements of nature to attack. -Contemptor - You will be able to launch a attack at a range of about 3 meters from the ground. If an enemy is wearing metal, the strength of the attack will increase. -Channeling Attack - You will be able to launch a long-range attack. Soul Quest -You have the ability to escape reality and change your body to an Elden Lord. -Press the save button to start the entrance of the city,
